Bart Bassett MP
Member for Londonderry

Dear Mr Bassett,

Thank you for your letter dated 3 February 2012.

We are sorry that you feel that you are unable to communicate with us following the somewhat robust public meeting where Mayor Kim Ford so angered your constituents with his inability to answer questions, even those questions given to him in advance.

You clearly have a personal issue with our elected chairman. Therefore, we have approached Kevin Rozzoli, former Liberal Party member of Parliament and Speaker of the House to chair a public meeting with you on Monday 19th March 2012 at the North Richmond Community Centre at 7:15pm, he has graciously agreed to do this.

If you are willing to speak to your constituency we will, of course, submit questions in writing in advance to enable you to be prepared.

We anticipate your early attention and reply to this matter .

Mrs Colleen Turnbull
Secretary NRDCAA
